- 1. Adoption of Minutes of Boyle MDC meeting 15.09.2017**
- 2. Notice of Motion from Cllr Rachel Doherty** "That Roscommon County Council provide an update in relation to the proposed project to construct a boardwalk linking Knockvicar and Lough Key Forest Park as part of a new Boyle Greenway. This boardwalk was to be part of the first phase of the overall project and will form a significant part of the greenway, which will be both a cycle way and walkway. Secondly, the entrance to the proposed project is a popular local road just off the R285 and in by the Organic Centre - this road is badly in need of repair and restoration as it has been left in very poor condition since the project ceased some time ago. The Crossna Community Co-op and local residents are anxious to see this work take place asap.
