### **M5.25 Cllr Tom Crosby - Motion**

That Roscommon County Council prioritise the immediate provision of a footpath and public lighting along Ballytoohey Road, which serves four large housing estates, numerous one-off houses, and provides a vital link between the village and the local national school. This matter has been raised for several years without progress, despite over €70,000 having been spent in 2003/2004 on the preparation of plans and related works. In the interests of road and pedestrian safety the Council now resolves to advance this project as a matter of urgency.

### **M6.25 Cllr. Sean Moylan - Motion**

I call on Roscommon Co. Co. to make every effort, to acquire the small parcel of land that is

available free of charge beside Kilmore Graveyard, as soon as possible.

**M7.25 Cllr. Leah Cull – Motion**

I propose that Roscommon County Council undertake road safety measures on the R361 (Frenchpark road out of Boyle)

The increasing traffic flow and safety concerns expressed by local residents have highlighted the urgent need for improved safety measures. This should include:

- A continuous white line marking outside Kingsland NS
- 50-kilometer signage at the appropriate location
- Speed indicator sign as you approach Silveroe Estate

6. Questions Q2.25 Cllr T Crosby; Q3.25 Cllr S Moylan; Q4.25 Cllr L Cull; Q5.25 Cllr L Cull

**Q2.25 Cllr Tom Crosby**

Will the Director of Services inform the meeting of the total amount of development charges collected from the seven housing estates in Tarmonbarry Village?

**Q3.25 Cllr. Sean Moylan**

Do the council have any indication if the new N5 will be opened together, or will it be opened in sections as it becomes available, and if so any timeline as to when the first section will be open?

**Q4.25 Cllr. Leah Cull**

There was some discussion 2/3 years ago regarding the construction of a cycle way from Cootehall village to the national school, but it never materialised. Could you please inform me if there are any future plans for this?

**Q5.25 Cllr. Leah Cull**

I had a motion in some time ago regarding installing chevron signs at Strabragin NS Arigna R280 and the railway bridge on the R294 Gurteen road in Boyle - Is there any update on this?

**Members welcomed the taking in charge of these estates and progress made. The following was discussed:**

- To extend list to North of County and the importance of obtaining funding for taking these estates over.
- Members complimented Council staff on the work put into getting these estates in charge.
- Challenges with water connections, road finishes, etc. in some estates.
- The difficulty in getting estates taken in charge. More funding needed from Central Government to deal with issues like bonds, way leaves, etc. The majority of these estates are in the Boyle MD.
- As an MD to look for funding now for estates to be taken in charge while resources are still available. Emphasis should be on affordable housing as much as social housing. Allow people to live in their own locality.
- A Motion to be placed before the Plenary Meeting requesting a budget allocation for estates to be taken in charge.

I call on the council to do any planned maintenance work on the N61 while it is closed, and for us to request that the TII do the same, and fast track any surfacing work etc. that they may have planned. This will help minimise inconvenience on the road when it reopens.

**Response:**

Boyle MD are currently completing as much maintenance works as possible during the road closure.

Mr. Anthony McDermott confirmed that every opportunity will be taken to carry out maintenance works while the N61 is closed.

**Members supported the motion and made the following points:**

- The issues surrounding the Clashganny section of the N61 and the current difficulties with that scheme. There were calls for emergency legislation to be put in place to ensure schemes like this are successfully completed.
