Notice of motion calling on Roscommon County Council to surface dress the area set back outside houses on roads which are on the roads program when requested by the homeowner.
 - 11.2 Cllr D Connolly, Cllr V Duffy, Cllr L Fallon, Cllr E Kelly, Cllr J Keogh, Cllr T Ward - M4:26 - Proposed Wind Farm Development at Cornafulla
We, the 6 councillors in South Roscommon, strongly feel that the proposed wind farm development at Cornafulla is not in keeping with the County Development Plan and its associated strategies. We propose that any planning bodies involved with the process are made aware of the sensitivities of the area and give a detailed outline of acknowledging these in their decision-making.
 - 11.3 Cllr. Frain - M5:26 - Planning Objections
I call on this Authority, to request the Minister for Housing and Local Government, to establish a Commission for the Validation of Planning Objections. This Commission should be Independent of the Department and chaired by a retired High Court Judge / Senior Counsel. This Commission would be responsible for the validation and scrutiny of objections to large scale projects at local and national level. The Commission would examine these objections thoroughly and would scrutinize the bona fides of the objection and of the objectors. This would eliminate delays and would discourage vexatious and spurious objections by third parties with personal agendas.
