 - 15.1 Cllr. Crosby - M8:26 - Heritage Design Specialist
 Roscommon County Council should introduce a policy and provide funding to engage a qualified heritage and colour design specialist to prepare coordinated colour schemes for towns and villages benefiting from Public Realm enhancement works.

 This would improve the visual appearance, heritage character and overall presentation of these areas while complementing public investment in regeneration projects. Strokestown, where major upgrade works are underway on Church Street and Bawn Street, is an ideal example.

 Funding should support the preparation and implementation of suitable colour schemes for affected properties to create a more cohesive, attractive and heritage sensitive streetscape for residents, businesses and visitors.
