   MB7.26 Motion for October 2026 Boyle MD Meeting

   I call for Roscommon County Council to progress the planning and design of an approximately 550-metre cycle lane and footpath extension, linking the west side of Elphin with the existing walking

and cycling infrastructure associated with the new N5 at Shankhill. This design work could be completed in advance, allowing the project to proceed more quickly if funding becomes available. The connection would improve pedestrian and cyclist safety, provide access to Shankhill graveyard and the historic War of Independence monument, and support future residential or commercial development on the outskirts of Elphin.

MB8.26 Cllr Leah Cull – Boyle MD Meeting 28.10.2026

That this Municipal District writes to Uisce Éireann and strongly requests that Aghacarra Estate, Corrigeenroe, be selected as one of the DPI estates for which Uisce Éireann will assume responsibility for the wastewater treatment plant as soon as possible, thereby allowing the estate to progress towards being taken in charge by Roscommon County Council.

8. Questions QB3.26 Cllr S Moylan and QB4.26 & QB5.26 Cllr. Leah Cull

QB3.26 Question Cllr. Sean Moylan 28.10.2026

Could I be told how many Local Improvement Scheme (LIS) applications were received by Roscommon County Council in 2026 and the final number that were approved or successful.

QB4.26 Cllr. Leah Cull – Boyle MD Meeting 28.10.2026

Can the Council provide an update on whether Keadue has been selected for a road safety scheme, and advise when the locations to receive road safety schemes will be confirmed?

QB5.26 Cllr. Leah Cull – Boyle MD Meeting 28.10.2026

Has there been any progress on the proposal, briefly discussed at previous meetings, to establish a dedicated fund for footpaths?

I'm wondering whether the council has plans to address the condition of the footpaths in Forest View, Boyle. I understand that funding was due to be set aside from the public realm works budget to begin this work. While I appreciate that considerably more funding will be required, I hope that this initial allocation can be secured and I would also hope that Forest View Estate could be prioritised as the first area to benefit from this fund if established.
