4.21 Notice of Motion – Cllr. Crosby:

'Would the Director of Services inform the meeting of the proposed locations and the type of works for the footpath improvements in Cortober Village which were funded from the recent announced of €50,000 allocated from the Active Travel Investment Program 2021 and confirm that the €30,000 that has already been granted to Cortober will make a total investment in the footpath infrastructure to €80,000

I understand that agreement was in place with the Cortober Residence Association for footpaths extensions from the Railway Station to join the existing footpaths at the Shannon Gael Estate and that the widening of the existing footpaths out from the railway station would be a priority, an approximate date when the works will commence'.

5.21 Notice of Motion – Cllr Murphy:

'I propose the motion that we write to TII requesting the installation of flashing speed signs on the Tulsk rd. out of Strokestown on the N5, between Brogan's Garage and the entrance into the Cloonslanor residential area in an attempt to slow down the traffic here'.
