1. **Adoption of Minutes**
 - Minutes of Meeting held on 20th May, 2024.
 - Minutes of AGM meeting held on 27th June, 2024.

4. **Notice of Motion**

4.1 **Cllr. E Kelly NOM 9.24 - Noise Level from M6 affecting Resident in Co. Roscommon.**

"I am calling on Roscommon County Council to write to TII to request confirmation that any proposed noise reduction works by TII on the N6 will include the Athlone bypass, up to and including, junction 13. There is a working group proposed in Westmeath to examine solutions to high noise levels along the N6, however it is unclear if the group will incorporate County Roscommon. The current noise levels are affecting the quality of life for nearby residents and devaluing properties as a result. Any works being examined or funded, should include the section of bypass in County Roscommon."

4.2 **Cllr. J Naughten NOM 10.24- Install additional speed table on Old Tuam Rd., Monksland.**

"That Roscommon County Council immediately move to install additional speed tables on the Old Tuam Road as there are ongoing concerns over the levels of speed, on what is essentially a residential road."

4.3 **Cllr. L Fallon NOM 11.24 - replacement of continuous white lining on N61.**

"I am calling on Roscommon Co, Co. roads division to work with the TII to restore the original road markings to the continuous white line as was the position before the resurfacing of the N61 between the Purts junction and Kiltoom Cemetery and also both sides of the Barrybeg junction. The changed road markings at both junctions is creating a very dangerous situation and needs urgent attention."

4.4 **Cllr J Keogh NOM 12.24 - Maintenance works at Judy's harbour.**

"That Roscommon County Council carry out maintenance works in the form of grass cutting and weeding at Judy's harbour and do so on an annual basis. The area is a tourist spot and complaints are being made by visitors to the area. The lack of maintenance undermines the county's tourism strategy"
