I call this Municipal District to abandon the Roads Programme 2025 to address the damage done to the roads across the region by Storm Eowyn.

We must allow the local engineers and supervisors to address the roads most in need following storm damage before returning to the 2025 road programme.

On approaching the junction travelling from Kilcar on L2016-0 and upon turning right for Athlone, there is no visible view of oncoming traffic and this is extremely dangerous. I am calling on Roscommon County Council to include this extremely dangerous junction in the Local safety improvement scheme for 2025."
