5. Questions 10.24 & 11.24 Cllr Tom Crosby

**10.24 Cllr. Tom Crosby**

Can the Director of Services inform the meeting what is the status update on the newly installed pedestrian traffic lights in Tarmonbarry Village? The traffic lights have been non-functional for a significant portion of the time following their installation about 18 months ago and are currently out of order for the past three or four months. There is a local view that they were erected too close to the kerb on the main carriageway of the N5 and are being damaged by passing heavy goods vehicles. What accountability lies with the suppliers/contractors who provided and installed the new pedestrian traffic lights.

**11.24 Cllr Tom Crosby**

Can the Director of Services inform the meeting what is the current progress with the installation of the new public lighting for Rooskey Village?

6. Special Meeting of Carrick and Boyle MDs for JLAP - update
