 - 12.1 Cllr. McDermott - M12:25 - Roscommon University Hospital Parking

That Roscommon County Council write to the Minister for Health and the HSE in relation to the parking arrangements at Roscommon University Hospital. People having to park nearly half kilometre away from the hospital is very unfair. I am asking the HSE to consider development of the considerable holding of land directly behind the hospital as a car parking facility. This current situation for patients and visitors is placing a undue burden.
 - 12.2 Cllr. Ward - M13:25 - Compensation Lough Funshinagh

I am calling on the Government, the Minister for Finance, Mr. Jack Chambers, T.D. and the Minister for Agriculture, Food and the Marine Mr. Martin Leydon T.D. to provide the necessary compensation to the farmers that have lands on or adjacent to Lough Funshinagh that are badly affected by the flooding since 2015. I am also calling on the Government to carry out a survey on the amount of damage done to boundary walls and fences, and all trees are dead.
 - 12.3 Cllr. Fitzmaurice - M14:25 - Fire Service in Co. Roscommon

Notice of motion calling on Roscommon County Council to reassess the level of fire service in all parts of County Roscommon and take into account factors of risk including the numbers of fires in each area, population and response times and set up a working group to recommend to Government to fund a fire service in areas like Castlerea.
