7. Notice of Motion

7.1 Cllr. Crosby - M25:25 - Scramogue Crossroads

That Roscommon County Council make an urgent submission to Transport Infrastructure Ireland (TII) seeking immediate and comprehensive safety measures at Scramogue Crossroads where the R371 crosses the N5.

This dangerous junction is widely recognized as a major accident blackspot, with fatalities, serious injuries and collisions over the years. There is inadequate signage, road markings, and no public lighting, making it especially dangerous at night.

With the new N5 bypass due to open within 12 months and traffic expected to increase significantly, urgent action is required to prevent further loss of life.

7.2 Cllr. Duffy - M:25 - Creagh Area Plan

I am calling on Roscommon County Council to revise, update, and create a new Creagh Area Plan. The current plan was previously developed to cover the years 2008 - 2014. Recognising that this work will take time, given new legislation since 2014 and also the need to consult and engage with Galway County Council, it would be important to put a realistic timeline together to move on this issue.

7.3 Cllr. Cull - M:25 - ESB

That Roscommon County Council write to the ESB requesting a detailed report outlining the measures undertaken in County Roscommon since Storm Eowyn.

This report should include:

The steps taken to maintain and strengthen electricity lines.

Whether the ESB has engaged with forestry companies to put in place a joint approach to managing the impact of future storms.

Whether there has been any re-examination of the Vulnerable Customer Register.

8. Chief Executive Business

9. Councillors Conferences - Payment/Attendance

10. Votes of Congratulations and Sympathy

11. Any Other Business
