9. Notices of Motion

9.1 Cllr. Frain - M5:26 - Planning Objections

I call on this Authority, to request the Minister for Housing and Local Government, to establish a Commission for the Validation of Planning Objections.

This Commission should be Independent of the Department and chaired by a retired High Court Judge / Senior Counsel. This Commission would be responsible for the validation and scrutiny of objections to large scale projects at local and national level.

The Commission would examine these objections thoroughly and would scrutinize the bona fides of the objection and of the objectors. This would eliminate delays and would discourage vexatious and spurious objections by third parties with personal agendas.

9.2 Cllr. Crosby - M6:26 - Designated County Museum

That Roscommon County Council recognises the strategic need to develop a Designated County Museum and resolves to identify and secure a town-centre site in Strokestown, in line with Town Centre First policy.

The Council will engage with the National Museum of Ireland and relevant stakeholders to progress designation, and advance a feasibility study for a museum located near Strokestown Park House and the National Famine Museum, which already attracts tens of thousands of visitors annually from across the world, as a priority capital project delivering cultural, tourism and economic benefits for the County.

9.3 Cllr. Cull - M7:26 - Triple Lock

This Council expresses dismay at and opposition to government plans to abolish the Triple Lock. The Triple Lock means that for more than 12 troops to deploy on overseas missions there must be approval from: 1. Cabinet 2. Dáil Éireann and 3. the mission must have a UN mandate.

It was introduced during the Nice Treaty and commitments to it were reaffirmed during Lisbon to safeguard neutrality and keep Ireland out of illegal wars. This Council rejects government plans to abolish the Triple Lock, which would signify a breach of trust with the electorate and a serious diminution of neutrality.
