11th February, 2026

Mr. Shane Tiernan
Chief Executive
Roscommon County Council
Áras an Chontae
Roscommon
County Roscommon
F42 VR98

Dear Mr Tiernan

At the Sligo-Drumcliff Municipal District Meeting held on 19th January 2026, the Members agreed the following resolution:

"That Sligo County Council write to each Local Authority along the Sligo Railway line to Longford to set up a meeting with Iarnród Éireann and the Minister for Climate, Energy and the Environment and Transport to discuss when works will take place and clarify if funding is available. Among the projects required include a passing loop between Sligo and Boyle, enabling trains to pass and improve timetable flexibility we call on them to look at providing daily and nightly service between Longford and Sligo which will be a major benefit to these counties."

Please let me have your response to this matter at your earliest convenience.

Yours sincerely,

Sarah McNamara
